WORK EXPERIENCE

Pixel Street
West Bengal, India
2021 - 2023
I was involved in designing, developing, and testing various websites and web applications for clients across different industries. I also collaborated with other developers, designers, and marketers to ensure the quality and consistency of the products I delivered

Spark Infosys
Lahore, Pakistan
2020 - 2021
I worked as a web developer at Spark Infosys from June 2020 to July 2021. During this time, I contributed to the company's digital marketing campaigns by optimizing the web performance and user experience of the websites I created.

Creative Tech Park.
**Dhaka, Bangladesh**
2019 - 2020
I worked as a web developer at Creative Tech Park from January 2019 to August 2020. During this time, I was involved in designing, developing, and maintaining various websites and web applications for clients across different industries.
